Principal & CIO Wilfredo Candelaria

Wilfredo Candelaria is a Principal and the CIO of End to End Enterprise Solutions, having the company in 2018. A dedicated professional with 24 years of experience in the industry serving federal, state, and local government customers; he first served as an Air Force Guidance and Control Specialist on the MH-53 PaveLow helicopters at Hurlburt Field, Florida then transitioned to satellite communications as a Tech Controller at Buckley AFB, Colorado.

Wilfredo also served as a federal employee at The Defense Counterintelligence and Security Agency as a GG-13 Information Systems Security Specialist and at the Army Inspector General Agency at the Pentagon as a GS-14 Inspector General. In these roles, he assessed the cyber risk of the national industrial complex, serving the Department of Defense and partner agencies and worldwide Army strategic capabilities at the behest of the Secretary of the Army and the Inspector General of the Army.

Wilfredo did eight (8) years of active duty in the Air Force and four (4) in the Florida Air National Guard at MacDill AFB, Florida and is a veteran of Iraqi Freedom and Enduring Freedom serving multiple tours in each war zone. For his service, Wilfredo was awarded the Commendation Medal, multiple Achievement Medals, Global War on Terrorism Expeditionary Medal, and the Global War on Terrorism Service Medal.

Business Development Manager Kevin Dunlap

Kevin Dunlap serves as End to End's Director of Business Development, he joined the company in __. Kevin is a US Navy veteran with more than 25 years of business development experience, Kevin has proven his ability to develop integrated solutions and negotiate complex contracts and he is especially adept at understanding the needs of the government and creating teaming solutions to provide end to end solutions.

Having captured more than a billion dollars of government business in his career, he brings C-Suite-level communication skills and a dynamic thought process to facilitate success for customers and the company alike. Throughout his career, he has held various levels of leadership at companies as diverse as BTG, Xtria, Blackwater, Vetrecs Services Corporation, ALG Solutions, and Superior Plus Energy Services.

Kevin also serves as our resident Cornell University hockey fanatic. He lives in Northern Virginia with his wife Jeannette.
